INTERNSHIP OFFER LETTER

Dear Suraj Basavanni Goture,

We are pleased to inform you that you have been selected for the Skill-Based Internship Program conducted by CampusPe (Edufu Technologies Pvt Ltd.) for the role of **Full Stack Java Developer Intern** program, based on your successful application through the VTU Internship Portal.

This offer letter is issued solely for submission to your college for internship approval.

1. Internship Details

- Internship Role: **Full Stack Java Developer Intern**
- Mode: Online
- Internship Period: The internship will commence on, **2nd February 2026, as per VTU guidelines** and will be conducted for a duration of 15 weeks.

2. Program Nature

- This is a fee-based, skill-Oriented academic internship program focused on learning, training, and practical exposure.
- This internship is not an employment offer and does not guarantee stipend, placement, interviews, or full-time employment.

3. Learning & Training Scope

- Interns will undergo structured learning and practical training focused on Full Stack Java Development, including backend and frontend development concepts, frameworks, and real-world application workflows.
- Interns are expected to follow ethical coding practices and use development tools strictly for academic learning and approved internship activities.

4. Program Structure

The internship includes:

- Instructor-led live training sessions on working days (Monday to Friday)
- Session duration may vary based on curriculum requirements
- Practical assignments and project-based learning
- Exposure to Java-based frameworks, development tools, and real-world application use cases
- Access to recorded sessions for academic revision

5. Attendance & Participation

- Regular attendance and active participation are mandatory.
- Assigned tasks and projects must be completed within stipulated timelines.
- Prolonged or repeated absence without valid justification may be treated as non-participation.
- Failure to meet academic or participation requirements may result in discontinuation of the internship.
- Certification, if applicable, is subject to successful completion of the internship requirements.

6. Confidentiality & Intellectual Property

- All training content, recordings, learning materials, source code samples, documentation, project briefs, and program resources provided by CampusPe remain the intellectual property of CampusPe.
- Recorded sessions and materials are provided strictly for personal academic learning and shall not be shared, copied, or distributed in any form.
- Assignments and projects executed by interns based on CampusPe-provided briefs remain the intellectual property of the respective students; however, CampusPe retains a non-exclusive, non-commercial right to use such work for internal evaluation, academic review, demonstrations, and program improvement purposes.

7. Code of Conduct

- Interns must maintain professional conduct throughout the internship.
- Ethical and responsible use of technology and development tools is mandatory.
- Any misconduct may result in termination of the internship.

8. Certification

An Internship Completion Certificate will be issued upon successful completion of the internship, subject to attendance, completion of work, academic evaluation, and adherence to applicable guidelines.

9. No Employment Guarantee

- This internship is conducted solely for educational and skill-development purposes.
- CampusPe does not guarantee employment, placement, interviews, stipend, salary, or job offers.

10. Communication & Community Access

- Interns may be added to an official CampusPe WhatsApp community for session updates and information sharing related to the internship program.
- Community participation does not constitute a job or placement guarantee.
- Community content must not be shared outside the group
- CampusPe reserves the right to remove participants from the community in case of misuse or non-compliance.

11. General Terms

- Interns participate in the program solely as learners and are not employees, agents or representatives of CampusPe.
- Students are responsible for their own internet connectivity and devices.
- Refund Disclaimer: All internship fees are collected through the VTU Internship Portal. CampusPe does not collect Internship fees directly from students or process refunds. Any refund or cancellation is governed strictly by VTU Internship Portal policies

I, **Suraj Basavanni Goture**, acknowledge receipt of this offer letter and understand that this internship does not constitute an employment agreement.
